I believe we are DENIED service because we are Black seniors who elected officials created a hostile environment with lack of transportation for entire community.

I protest you are placing me in clear and present DANGER.

The Community as a whole

has been DENIED equal treatment and consideration, ^{before employment of new head of police, yet require hill to white area} promised talk with new chief of police.

White community, Councilman Kraus

^{Year 2018/2019} (Southside) provided buses to transport drinking patrons

to get safely out of South Side.

Also portable toilets. We must stop

Other CITIZENS MUST TAKE 2 Buses
 IN toward and through Downtown Pittsburgh
 AND OUT of town to get the hospital
 Mercy that is Located at Bottom
 OF Hill Pass Fifth AVE. PGR. PA 15219
 The white Blind male resident STATED HE NEED TO TAKE 1 BUS ONLY
 We need a bus in the hill to take
 us to the hospital or atleast to
 Fifth Avenue. We would be willing
 to have Last Bus Stop on Fifth Ave.
 AND we would walk a Block up
 to Mercy hospital

You must restore Hill Loop Bus
 Consider how AN Elder Black female
 has hard time walking must walk
 from Crawford SQUARE must
 walk to mercy. Because hard getting
 ON 2 Buses Because as senior we
 do not have \$5.00 for our service to hosp.
